COUNCIL DECISION (CFSP) 2026/1845

of 23 July 2026

amending Decision 2014/145/CFSP concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 29 thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

(1) On 17 March 2014, the Council adopted Decision 2014/145/CFSP [1].

(2) In its Resolution ES-11/7, adopted on 24 February 2025, the United Nations General Assembly recalled the need for full implementation of its relevant resolutions adopted in response to the aggression against Ukraine, in particular its demand that the Russian Federation immediately, completely and unconditionally withdraw all of its military forces from the territory of Ukraine within its internationally recognised borders, and its demand for an immediate cessation of the hostilities by the Russian Federation against Ukraine, in particular of any attacks against civilians and civilian objects.

(3) As long as the illegal actions by the Russian Federation continue to violate fundamental rules of international law, including, in particular, the prohibition on the use of force enshrined in Article 2(4) of the Charter of the United Nations, or of international humanitarian law, it is appropriate to maintain in force all the measures imposed by the Union and to take additional measures, if necessary.

(4) In view of the continued and escalating aggression by the Russian Federation against Ukraine, and in particular the recent brutal military campaign deliberately targeting civilian infrastructure, including energy, water and health facilities, which has caused severe suffering to the civilian population and which aims to undermine Ukraine's resilience, the Council considers it necessary to adopt further restrictive measures.

(5) In particular, the Council considers that 48 persons and 168 entities should be added to the list of persons, entities and bodies subject to restrictive measures set out in the Annex to Decision 2014/145/CFSP.

(6) It is appropriate to introduce a derogation from the asset freeze and the prohibition on making funds and economic resources available to some specific designated entities. The derogation is designed to allow a payment due by natural or legal persons, entities or bodies listed in the Annex or by an insurance provider as a result of a risk for which they are liable.

[1] Council Decision 2014/145/CFSP of 17 March 2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine (OJ L 78, 17.3.2014, p. 16, ELI: http://data.europa.eu/eli/dec/2014/145(1)/oj).

(7) It is also appropriate to introduce additional derogations from the asset freeze and the prohibition on making funds and economic resources available to some specific designated persons. Those derogations are narrowly circumscribed to allow a Union operator to exercise a specific pre-existing contractual obligation, arising from an agreement concluded in 2015 prior to the imposition of any applicable restrictive measures. Those derogations do not undermine the general objectives of Decision 2014/145/CFSP and Council Regulation (EU) No 269/2014 ([2]) and are justified solely by the need to address an unintended adverse consequence for Union operator.

(8) It is appropriate to introduce an exemption from the asset freeze and the prohibition on making funds and economic resources available to designated persons to enable the continued operation of necessary transport by rail, between Russia and the Union, through the Union, and within Russia. The introduction of that exemption is without prejudice to the case-by-case assessment of control of designated persons over non-designated entities.

(9) It is also appropriate to introduce an exemption from the asset freeze and the prohibition on making funds and economic resources available to certain designated entities to enable the continued operation of the Paks II project and to avoid undermining nuclear safety and security.

(10) Russian legislation and court practice enable persons to lodge a claim before certain Russian courts, which then assert jurisdiction over disputes and render judgments condemning Union companies in relation to contracts or transactions affected by Union restrictive measures. Accordingly, evidence shows that Russian persons, entities or bodies, or persons, entities or bodies acting through or on behalf of one of those Russian persons, entities or bodies, or owned or controlled by such persons, entities or bodies, seek or might seek to initiate and pursue legal proceedings in connection with measures imposed under Decision 2014/145/CFSP or Council Decision 2014/512/CFSP ([3]) or Council Regulation (EU) No 833/2014 ([4]) or Regulation (EU) No 269/2014, or seek or might seek to obtain recognition or enforcement of judgments granted through such legal proceedings. In order to preserve the effectiveness of Union restrictive measures, it is necessary for the Union to take action to mitigate the effect of such practices, by requiring Member States not to recognise or enforce any injunction, order, relief, judgment or other court decision or administrative decision given by a Russian court or authority in connection with any contract or transaction the performance of which has been affected, directly or indirectly, in whole or in part, by the measures imposed under Decision 2014/145/CFSP or Regulation (EU) No 269/2014.

(11) Where the application of the measures imposed under Decision 2014/145/CFSP could generate undue economic benefits for listed persons, entities or bodies, it may undermine the effectiveness and objectives of the Union's restrictive measures. The Commission should therefore monitor such cases and present its assessment to the Council without undue delay and the High Representative should make, where appropriate, proposals to avoid conferring unintended benefits on listed persons, entities or bodies. The Council should examine such proposals with a view to adopting the necessary measures in the sanctions framework at the earliest opportunity, so as to avoid undue economic benefits accruing to listed persons, entities or bodies.

(12) Decision 2014/145/CFSP should therefore be amended accordingly,

HAS ADOPTED THIS DECISION:

Article 1

Decision 2014/145/CFSP is amended as follows:

(1) Article 2 is amended as follows:

(a) the following paragraph is inserted:

'28a. By way of derogation from paragraphs 1 and 2, the competent authorities of a Member State may authorise the release of certain frozen funds or economic resources belonging to natural or legal persons, entities or bodies listed in the Annex pursuant to paragraph 1, point (k) of this Article, or the making available of certain funds or economic resources to those natural or legal persons, entities or bodies under such conditions as the competent authorities deem appropriate and after having determined that:

([2]) Council Regulation (EU) No 269/2014 of 17 March 2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine(OJ L 78, 17.3.2014, p. 6, ELI: http://data.europa.eu/eli/reg/2014/269/oj).

([3]) Council Decision 2014/512/CFSP of 31 July 2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine (OJ L 229, 31.7.2014, p. 13, ELI: http://data.europa.eu/eli/dec/2014/512/oj).

([4]) Council Regulation (EU) No 833/2014 of 31 July 2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine (OJ L 229, 31.7.2014, p. 1, ELI: http://data.europa.eu/eli/reg/2014/833/oj).

(a) such release or making available of funds or economic resources is necessary to allow a payment due by those natural or legal persons, entities or bodies listed in the Annex pursuant to paragraph 1, point (k) of this Article or by an insurance provider as a result of a risk for which those natural or legal persons, entities or bodies listed in the Annex pursuant to paragraph 1, point (k) of this Article are liable, to be made to an entity established in the Union, in a country member of the European Economic Area, in Switzerland or in a partner country as listed in Annex VII to Decision 2014/512/CFSP, or to a national or resident of a Member State, of a country member of the European Economic Area, of Switzerland or of a partner country as listed in Annex VII to Decision 2014/512/CFSP, and not listed in the Annex; and

(b) such payment constitutes the indemnity or benefit provided further to the materialisation of a risk for which those natural or legal persons, entities or bodies listed in the Annex pursuant to paragraph 1, point (k) of this Article are liable.';

(b) the following paragraphs are added:

'37. By way of derogation from paragraphs 1 and 2 of this Article, the competent authorities of the Member States may, under such conditions as they deem appropriate, authorise:

(a) the disposal or transfer of shares, participations or other equity instruments by a credit institution established in the Union to an entity established in the Union that is, prior to such transfer, minority-owned directly or indirectly, individually or jointly, by one or both of the individuals listed under entries number 674 and 675 under the heading "Persons" in the Annex to this Decision, where the transfer would result in an increase of the shareholdings of one or both those individuals in that entity after having determined that such disposal or transfer is carried out on the basis of a put option right contractually agreed and duly exercised prior to 28 February 2022, but not yet effected as at the date of entry into force of this derogation, provided that any shares or participations of those individuals, including those due to an increase of their shareholdings following the transfer, are frozen;

(b) the release of certain frozen funds or economic resources, or the making available of certain funds or economic resources belonging to, owned, held or controlled, directly or indirectly, individually or jointly, by one or both of the individuals listed under entries 674 and 675 under the heading "Persons" in the Annex, or by any entity directly or indirectly owned, controlled or participated by those individuals, or funds or economic resources owned, held or controlled by such individuals in entities or credit institutions listed under the entries 198 or 270 under the heading "Entities" in the Annex after having determined that:

(i) such release or making available of funds or economic resources is carried out for the sole purpose of enabling the counterparty to discharge its payment obligation owed to a credit institution established in the Union pursuant to a put option right contractually agreed and duly exercised prior to 28 February 2022, but not yet effected as at the date of entry into force of this derogation;

(ii) the funds or economic resources released or made available are transferred directly to the credit institution established in the Union in satisfaction of such contractual obligation; and

(iii) the credit institution established in the Union to which the consideration is paid is not a person, entity or body listed in the Annex.

38a. Paragraph 1 of this Article shall not apply to funds or economic resources of JSC Russian Railways which are necessary for the transport by rail of goods or persons, or the provision of related railway infrastructure, by JSC Russian Railways between Russia and the Union, in transit through the Union, between the Kaliningrad Oblast and Russia, or within Russia, or to funds or economic resources of JSC Russian Railways necessary for the provision of services related to the operation, maintenance or security of such rail transport.

38b. Paragraph 2 of this Article shall not apply to the making available of funds or economic resources to JSC Russian Railways which are necessary for the transport by rail of goods or persons, or the provision of related railway infrastructure, by JSC Russian Railways between Russia and the Union, in transit through the Union, between the Kaliningrad Oblast and Russia, or within Russia, or to the making available of funds or economic resources to JSC Russian Railways necessary for the provision of services related to the operation, maintenance or security of such rail transport.

39. Paragraphs 1 and 2 of this Article shall not apply to funds or economic resources belonging to, owned, held or controlled by the entities listed under entry numbers 975, 976 and 977 under the heading “Entities” in the Annex or to the making available of funds or economic resources, directly or indirectly, to or for the benefit of those entities, provided that those funds or economic resources are strictly necessary with regard to the Paks II project for activities necessary for the establishment, operation, maintenance, fuel supply and retreatment and safety of civil nuclear capabilities and the continuation of design, construction and commissioning required for the completion of civil nuclear facilities in that project.

Entities making funds or economic resources available to the entities referred to in this paragraph shall notify the competent authority of Hungary of any activity pursuant to which funds or economic resources are used or made available within two weeks of the start of that activity. Hungary shall inform the other Member States and the Commission of any information received under this paragraph within two weeks of receipt of that information.’;

(2) the following article is inserted:

‘*Article 4c*

No injunction, order, relief, judgment or other court or administrative decision pursuant to or derived from Article 248.1 or Article 248.2 of the Arbitration Procedure Code of the Russian Federation or equivalent Russian legislation, or given by a Russian court or authority pursuant to any other Russian law, holding a person referred to in Article 17, points (c) or (d) of Regulation (EU) No 269/2014, liable, whether in contract or in tort, or on any other legal basis, or giving effect, directly or indirectly, to any claim, right or alleged obligation against such person, including in the context of insolvency, bankruptcy, restructuring or analogous proceedings, in connection with any contract or transaction the performance of which has been affected, directly or indirectly, in whole or in part, by the measures imposed under this Decision, shall be recognised, given effect or enforced in a Member State.’;

(3) the Annex to Decision 2014/145/CFSP is amended in accordance with the Annex to this Decision.

Article 2

This Decision shall enter into force on the date of its publication in the *Official Journal of the European Union*.

Done at Brussels, 23 July 2026.

He previously held senior positions at the Russian National Commercial Bank (RNCB). Ruslan Arefiev plays a key role in integrating the illegally occupied Ukrainian territories into Russia's financial system. From 2014 onward, through his leadership roles at RNCB and later CMRBank, he is accused of organising and expanding bank branches in the occupied Crimea, Donetsk, Luhansk, Kherson, and Zaporizhzhya. As head of banks supervised by the Central Bank of Russia, he has overseen institutions implementing Kremlin-directed financial measures, including "rublisation", as well as the replacement of Ukrainian banking infrastructure and the integration of occupied territories into Russian payment and settlement systems. These actions enabled Russian authorities to consolidate their administrative, economic, and military control over the occupied regions of Ukraine. Therefore, Ruslan Arefiev is supporting the Government of the Russian Federation, which is responsible for the annexation of Crimea and the destabilisation of Ukraine. Furthermore he is responsible for implementing actions or policies which undermine or threaten the territorial integrity, sovereignty and independence of Ukraine, or stability or security in Ukraine.	23.7.2026
